Walking in Truth

1. What did you learn from our study of the virgin birth of the Lord Jesus Christ that you did not already know? What one change do you purpose to make in your life as a result of this study?
2. Was Jesus of Nazareth born of a virgin? Was does it matter? Is it necessary to believe in the virgin birth of Jesus in order to believe He is the Messiah, ...the Son of God, ...to be saved?
3. Name some common objections to the validity of the virgin birth. What answers can you give in response to each of these objections?
4. What is the difference between the Immaculate Conception and the virgin birth? Did Mary need to remain a perpetual virgin in order that Jesus' be sinless?
5. Why is the virgin birth important for Christians to understand and believe?
 - Do you believe Jesus was born of a virgin?
 - Do you believe that Mary, being conceived the Holy Spirit, gave birth to Jesus, who is both God and man?
 - Do you believe the woman's seed, prophesied in Genesis 3:15, is Jesus Christ of Nazareth, the Son of God?
 - Do you believe the woman's seed defeated the devil, sin, death, and the grave through His death and resurrection?
6. Where else do we see the power and wisdom of God in Christ like in this study (I Cor. 1:24)?

"The virgin birth is an underlying assumption of everything the Bible says about Jesus. To throw out the virgin birth is to reject Christ's deity, the accuracy and authority of Scripture, and a host of other related doctrines that are the heart of the Christian faith. No issue is more important than the virgin birth to our understanding of who Jesus is. If we deny Jesus is God, we have denied the very essence of Christianity."
