

DIGGING DEEPER

Walking in Truth

1. What did you learn from our study of Joshua 22:10-34 that you did not already know? What one change do you purpose to make in your life as a result of this study?
2. How can a people who lived together, served with each other and were friends, all of a sudden go to war with each other? Worse, how can this occur among Christians?
3. Argue the case for each side in Joshua 22. How was each side right and wrong?
4. It's amazing how our minds can build upon a situation and add all kinds of unrealistic details. What are some ways we can keep our mind focused on the facts only, and not allow unverifiable thoughts to overcome us?
5. The "sin of Peor" (17) apparently had long lasting effects. Read Numbers 25 and record the details of what happened at Peor. What may have been the reason the Israelites reacted so seriously to the altar? 22:18,20
6. How did the eastern tribes react to the accusations against them?
7. This chapter ends happily, which is not always the case in misunderstandings among Christians. What steps can we take to make sure our misunderstandings with others have a happy ending?
8. Did Israel follow the procedure Jesus gave for dealing with a brother who is in sin? See Matthew 18:15-20
