

## DIGGING DEEPER

*Walking in Truth*

1. The Bible clearly tells us the importance of “Remembering” Has there been a time in your life where pausing to remember events in your past, helped you solve a current issue in your life?
2. Can you remember a time when you felt very close to God & His blessings, but then later felt some separation? What may be some reasons for this? How can we fix this?
3. Throughout the Bible, God’s people go through the Cycle of Remember – Repent – Return. Do you believe we are currently living in this cycle? What do you think will happen if this cycle is interrupted?
4. Do you believe that we are living in the midst of a Cosmic Battle between Good & Evil? Why or Why not? Has the War been Won? If so, what is your role now?
5. Are you a Soldier in the Army of the Lord? Are you Retired, on Active Duty, or just waiting for your “assignment”?
