

DIGGING DEEPER

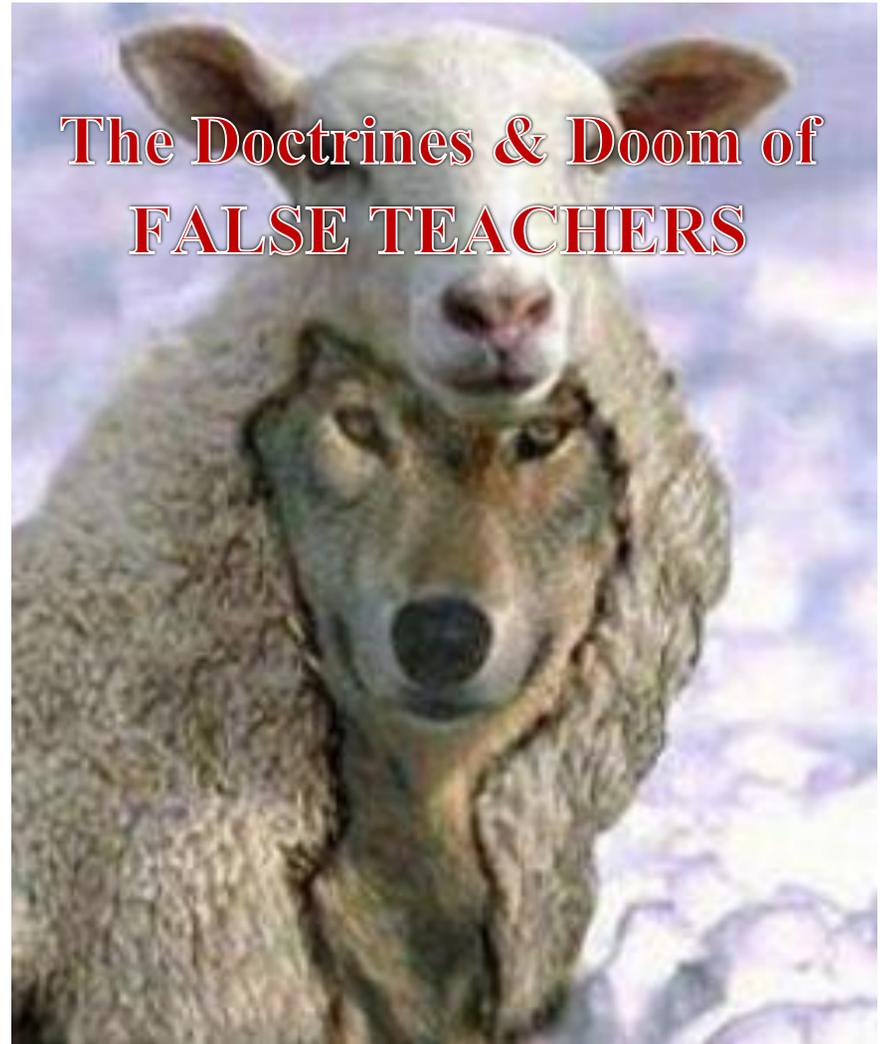

Walking in Truth

1. What did you learn from our study in II Peter 2:1-10 that you did not already know? What one change do you purpose to make in your life as a result of this study?
2. Why are false teachers so popular and “successful”? Have you ever been influenced by a false teacher? Explain. How has their doctrine been destructive?
3. Many church-goers, even church leaders, today suggest that “doctrine divides” and that “we leave our doctrine at the door”. How are these expressions dangerous? What is doctrine? Why is doctrine important to the believer?
4. Why did Peter, under the guidance of the Holy Spirit, choose these three examples of divine judgment? Which example most impacted you? Why? What examples of God’s judgement can you give in our own day? They may be personal.

FOR LONG HANDLED SHOVELS

- How could these false teachers, who had been believers and whom the Lord had “bought,” end up in eternal destruction? What are some of the various interpretations of this passage (1)? Which do you believe to be the most correct? Why?
- If you had only 3 messages to give your children and grandchildren what would those messages be? Compare your messages with the themes contained in the three chapters of II Peter.
- How would you respond or what steps would you take if a pastor, teacher or leader at Faith Bible Church was teaching heresy?
