

1. What did you learn from our study of the “Return of the Nephilim”, based on Genesis 6:1-4 and Matthew 24:37, that you did not already know? What one change do you purpose to make in your life as a result of this study?
2. Who are the Nephilim? What are the 3 views of how the Nephilim came into being? After reading 2 Peter 2:4-6; Jude 6, 7 & Revelation 9, as well as Genesis 6:1-4, what is your understanding of “the sons of God” and “the daughters of men”? Do you think the Nephilim had anything to do with the mysteries of the ancient world? Explain.
3. Could the Nephilim explain “space aliens”, Greek “Titans”, and giant mutants described in the mythologies of ancient cultures?
4. Was Nimrod a fallen angel/human hybrid, a demonoid, a Nephilim?
5. If angels do not marry, as Jesus indicated in Matthew 22:29-30, then are they sexless? Can demons transform or manifest themselves in a physical body? If so, can women be “raped” by demons?
6. Will the antichrist be the literal, physical, genetic offspring of Satan? Does Satan have actual offspring today? If so, then what would make antichrist’s demonic birth unique?
7. Can Christians be demon-possessed? Why or why not? What is the church’s responsibility, knowing that we “wrestle not against flesh and blood, but against principalities and powers, and spiritual wickedness in high places” (Ephesians 6:12)? What must we at Faith Bible Church do in light of this study?
