*Walking in Truth*

1. What did you learn from our study of The Feasts of the Lord in Leviticus 23 that you did not already know? What one change do you purpose to make in your life as a result of this study?
2. Why is it important for Christians to study and know the meaning of these Feasts? How is the nation of Israel God's time-piece?
3. Why are these feasts consistently called the "Feasts of the Lord" throughout Leviticus 23 (2, 3, 37, 39, 44)? Worship is the main theme of the book of Leviticus. How does observing these Feasts facilitate worshipping YHWH, the Lord Jesus Christ?
4. In the Gospel of John these same Feasts are called "the Feasts of the Jews" (cp. Jn. 5:1; 6:4; 7:2), why? What possible applications can you make from your answer to the previous question?
5. Explain the historical meaning of these seven Feasts of the Lord.
6. Explain the prophetic meaning of these seven Feasts of the Lord. How does the first and second comings of Jesus Christ prophetically fulfill the meanings of the Feasts of the Lord?

## Leviticus 23:4
