

digging DEEPER

1. What did you learn from our study of money and “one world economy” that you did not already know? What one change do you purpose to make in my life as a result of this study?
2. Write down ten words that quickly come to mind which you associate with money. What was the first word? Why do you think this word was your first association and most likely the most significant in your list?
3. Does your financial wealth determine your personal worth (Lk. 12:15)? How does Jesus’ parable of the rich fool illustrate your answer (Lk. 12:16-21)?
4. How does God’s view and the world’s view of money differ? Is real estate real? How does our anxiety over finances reflect our lack of faith in God and a wrong priority (Matt. 6:24-34)? Explain your answers.
5. How is the “kingdom of God” (Mt. 6:33; Lk. 17:21; Rom. 14:17) different from the “kingdoms of world” (Mt. 4:8)? How does your use of money identify your citizenship and the “kingdom” of which you are a part?

- What do you think motivates world leaders toward a one world economy? What is the relationship between a one world government, religion and economy?

A Prayer for the Wise

Proverbs 30:8-9

Give me neither poverty nor riches – Feed me with the food allotted to me; ⁹ lest I be full and deny You, and say, “Who is the LORD?” or lest I be poor and steal, and profane the name of my God.
